

Meet our new Executive Director, Janet Henry!

Janet Henry joined our team as Executive Director in February 2022! She is a native Campbell Countian and has lived in Knox County for several years. Janet is a graduate of Tusculum College, has a professional background in Human Resources and Business Finance, and feels honored to be part of CLC and back in Campbell County. Janet says, "I am excited about growing this program to reach as many students as possible. CLC is a much-needed light in our community for the new generation." We are thrilled to welcome Janet to CLC and thankful for the gifts she brings to this organization.
